PETITION FOR CORRECTION OF APPLICATION FILING RECEIPT
&
ACKNOWLEDGEMENT OF PRIORITY

Dear Sir:

Applicant requests issuance of a corrected official filing receipt for the above-identified patent application. As issued, the filing receipt incorrectly lists the priority information for the application. A copy of the official filing receipt is attached.

Specifically, under the heading "Domestic Priority data as claimed by applicant", the official filing receipt lists:

"This application is a 371 of PCT/US04/42045 12/15/2004"

While this is correct, the official filing receipt fails to reflect the priority document of the international application for which this application is based, in this case, US Provisional Application No. 60/529,822, filed December 16, 2003. A copy of the executed Declaration of Inventorship (from the PCT Request) included with the US national phase application is attached as Exhibit A. The Declaration correctly claims priority to the stated US provisional application. Additionally, a copy of the first page

of the international publication (WO 2005/058955), which also correctly specifies the priority document (US Provisional Application No. 60/529,822, filed December 16, 2003), is also attached as Exhibit B.

Accordingly, Applicant requests correction and issuance of a corrected filing receipt listing the "Domestic Priority data as claimed by applicant" as:

"This application is a 371 of PCT/US04/42045 12/15/2004
which claims benefit of 60/529,822 12/16/2003"

Based on the foregoing remarks and attached supporting materials, a corrected filing receipt is respectfully requested to be issued. No fees are believed to be required in connection with the filing of this petition; however, if the Commissioner determines that any fees are due, the Commissioner is hereby authorized to charge any such fees to Deposit Account No. 50-0268.

Respectfully submitted,
